

ALKATERG

HOT TANK & CIRCULATION CLEANER

- ❖ Alkaline super concentrated liquid cleaner formulated for industrial hot tank cleaning & paint stripping.
- ❖ Extremely effective for food plant circulation system cleaning & tank boil out.
- ❖ Superior non-foaming cleaner with heavy duty wetting aids, penetrants, non-ionic detergents, chelates, rust removers, & soil peptizing aids for rapid removal of the most stubborn soils.
- ❖ Excelling for steam and pressure cleaning.
- ❖ Safe for use on cast iron, steel, stainless steel and all steel alloys.
- ❖ **Do not use on aluminum, magnesium, tin, galvanized or zinc alloys.**

DIRECTIONS

Hot tank cleaning	6-12 ounces per gallon
Heavy duty circulation cleaning	2-8 ounces per gallon
Kettle boil out	2-4 ounces per gallon
Steam & pressure cleaning	1-2 ounces per gallon

Cleaner can be used at all water temperatures, but most effective when used at 180-200°F. After cleaning food contact surfaces, thoroughly rinse with hot or cold water.

FOR INDUSTRIAL USE ONLY

CAUTION: Keep out of the reach of children. Contains strong alkalis! Wear eye goggles and protective clothing when handling the concentrate. Avoid contact with eyes and skin. Severe eye irritant. Flush eyes well with water and get medical attention. Wash from skin immediately. Wash contaminated clothing before reuse.
