

# ALKA-BRITE

ALSO AVAILABLE AS  
AN OIL SEPARATION  
CLEANER

## ALKALINE DEGREASER & ALUMINUM CLEANER

Super concentrated non-butyl degreaser and non-acid aluminum brightener. Safe and easy to use formulation that will not etch glass. Excellent 3-way cleaning action gives superior results on all painted and aluminum transportation equipment, air conditioning coils, concrete surfaces, machinery, industrial soils, and on all types of food contact surfaces. USDA authorized A1 for cleaning all surfaces in meat, poultry, or egg processing plants.

\*\*\*\*\* Not for use on zinc, anodized or highly polished aluminum. \*\*\*\*\*

### DIRECTIONS

1. Dilute with hot or cold water for use. Apply manually, low or high pressure spray, steam foamer, or with drive through system.
2. When cleaning all surfaces or brightening aluminum, allow the cleaner to remain on the surface for 3-5 minutes before rinsing.
3. Rinse away the loosened soils with low or high pressure water to leave a bright, sparkling clean surface.

Routine cleaning with this cleaner will maintain aluminum surface in a clean, bright and shiny condition.

General cleaning of average soiling	1-3 oz/gallon.
Heavy duty general purpose cleaning	4-6 oz/gallon.
Heavy duty cleaning and brightening	8-10 oz/gallon.
Aluminum brightening and coil cleaning	12-16 oz/gallon.
Very dirty coal and ash fly trucks	22-64 oz/gallon.

### FOR INDUSTRIAL USE ONLY

**CAUTION:** Keep out of the reach of children. Contains highly alkaline builders. Avoid eye and skin contact with concentrate. If contact occurs wash from eyes and skin with water until irritation stops. If irritation persists see a physician. If ingestion occurs, drink lots of water and see a physician.

**Emergency Phone #:** 1-800-424-9300 / Reference Code: MTEQ / Product Code: 006

**Shipping Name:** Corrosive Liquid NOS (Sodium Hydroxide), Hazard Class: 8, ID# UN1760, PG: III
