

# AP-CHLOR

## MULTI-PURPOSE FOAMING CHLORINATED CLEANER

- Especially formulated for use by meat and poultry processors, dairies, canneries, and breweries.
- General purpose self-foaming cleaner that removes grease, protein matter, fats, oils, blood and other soils encountered in meat and poultry food processing plants.
- Non-toxic when used as directed, completely free rinsing and harmless to all hard surfaces.

### DIRECTIONS

- Foam cleaning using solution tank & foam equipment-----dilute 3-6 oz of cleaner per gallon of hot water (160°F).
- Injection type foam equipment-----premix 1 part cleaner with 1 part water and stir thoroughly. Inject the premix at the rate of 1-11 up to 1-20 parts of hot water (160°F).
- Other cleaning applications-----apply at a rate of 3-6 oz /gallon of hot water (160°F) depending upon the degree of soiling. After cleaning, thoroughly rinse all surfaces with water. Authorized by USDA for use in federally inspected meat and poultry plants.

### FOR INDUSTRIAL USE ONLY

**CAUTION:** Keep out of the reach of children. Eye and skin irritant. Flush from eyes until irritation stops and see a physician. Wash from skin with soap and water until irritation stops. Severe diarrhea and gastrointestinal track irritation from ingestion. If ingested drink lots of water and see a physician. Remove contaminated clothing and wash before reuse.

**Emergency Phone #:** 800-424-9300 / Reference Code: MTEQ / Product Code: 013

**Shipping Name:** Corrosive Liquid NOS (Potassium Hydroxide), Hazard Class: 8, ID# UN1760, PG: III
