

AQUA CLEAN

Super Concentrated Multi-Purpose Neutral Cleaner/Degreaser
SAFE • NON-TOXIC • CORROSION FREE • BIODEGRADABLE

A unique detergent system that provides powerful cleaning action yet is very mild on the skin. One of the fastest, most versatile cleaners ever produced. Works especially well on stearate-based and synthetic lubricants. Superior rinse-free cleaning that leaves an extremely clean surface on steel, chrome, cadmium, bronze, iron, nickel, copper, stainless, lead, brass and most alloys, aluminum, fabrics, plastic, rubber, neoprene, nylon, glass and paint when used as directed. Meets or exceeds OSHA, EPA, DNR, and USDA requirements for personal health and environmental safety. Gives outstanding results when applied manually or by steam, pressure, foaming, spray, ultrasonic, floor machine or soak tank.

DIRECTIONS

Dilute concentrate with hot or cold water. Use more or less cleaner as required to rapidly remove the degree or type of soiling.

Rinse thoroughly with hot or cold water after cleaning.

Allow cleaning solution to remain on the surface for 1 to 3 minutes or until soils release. If needed, brush lightly to loosen stubborn soils.

APPLICATIONS

■ Industrial Degreasing and carbon removal	1 to 8 parts water
■ Kitchen, Meat, Food Processing Plants, Pots & Pans	1 to 8 parts water
■ Steam, High Pressure, and Foaming Machines	1 to 16 parts water
