

AQUA-CLEAN LF/LPH

SAFE NONTOXIC BIODEGRADABLE
WILL NOT DARKEN (SMUT) ALUMINUM

A safe, versatile, super concentrated, mildly alkaline cleaner and degreaser. A unique detergent system that provides powerful cleaning action for all applications yet is very mild on the skin. USDA authorized for use in federally inspected meat and poultry plants.

DIRECTIONS

Apply manually, spray pressure, foaming, ultrasonic machine, or soak tank. Dilute with hot or cold water for use. Be sure to use enough cleaner and allow dwell time to rapidly remove all of the soil present. If required, brush stubborn soils lightly to loosen them. Rinse thoroughly with water for a completely clean surface.

Windows, store shelves, food cases, show cases, and similar surfaces are best cleaned by wiping or spraying with a highly diluted cleaning solution (1/2 oz/gal), spread with a sponge or cloth and wipe free of soils with a squeegee or dry cloth.

Kitchens, Meat, Food Plants, Pots & Pans	1 to 8	parts water
Steam, High Pressure and Foaming Machines	1 to 16	parts water
Waxed or No-Wax Vinyl Floors	1 to 6	parts water
Truck, Bus, Automotive and Aircraft	1 to 16	parts water
Industrial Degreasing & HD Cleaning	1 to 8	parts water
Windows, Store Cases, Plastics	1 to 256	parts water

FOR INDUSTRIAL OR INSTITUTIONAL USE ONLY

CAUTION: Keep out of the reach of children. Concentrate is a mild eye irritant. If contact occurs wash from eye with water until irritation stops. If irritation persists see a physician. See a physician if ingested in quantity.
