

# BLUE POWER OS

## INDUSTRIAL, WATER BASED EMULSIFYING DEGREASER

NON-TOXIC \* BIODEGRADABLE \* NON-CORROSIVE

Highly concentrated non-butyl degreaser that utilizes biodegradable detergents, builders, solubilizers, penetrants and nontoxic solvents for superior cleaning. Rapid detergency and free rinsing for labor saving and cleaning. Authorized by USDA for use in federally inspected meat and poultry plants. BLUE POWER is highly dilutable for cost economies.

### TYPICAL APPLICATIONS

- Degreasing of component parts (especially formulated to remove petroleum-based lubes) in ultrasonic or manual dip tanks and pressure spray equipment.
- Removal of chlorinated wax-based lubricants used for drawing or forming metals when high cleaning temperatures are possible.
- Cleaning of water-based inks from inking equipment, floors or offset presses.
- Cleaning of pigment from molding equipment surfaces to prevent unwanted plating-out.
- De-oiling of large stainless steel bands by hand wiping.
- Machinery wipe-down and oil-line clean-out.

### FOR INDUSTRIAL USE ONLY

**METAL SAFETY:** BLUE POWER is safe on steel, chrome, cadmium, bronze, nickel, copper, brass, lead, stainless and most alloys. Aluminum under conditions of use. Safe on fabrics, plastics, rubber, neoprene, nylon and glass. Paint when diluted 5:1 or less with water.

**CAUTION:** Keep out of the reach of children. Concentrate is a mild irritant. If contact occurs, wash from eyes with water until irritation stops. If irritation persists, see a physician.

**EMERGENCY PHONE #:** 800-424-9300 / Reference Code: MTEQ / Product Code: 024
