

DYNAMIC

CONCRETE DEGREASER & CLEANER

A super concentrated water-based, alkaline, cleaner and brightener

PRODUCT USES:

- Removal of grease, oil, beverage stains, & soils from concrete parking lots, sidewalks, drive-thru & fuel pump areas
- Pre-paint cleaning & degreasing of all surfaces

PRODUCT HIGHLIGHTS:

- Non-toxic, biodegradable, non-flammable, & non-corrosive
- Enhances biodegradations of greases & oils
- No strong odor
- No butyl or acids
- Also available in oil separation form (if required)

DIRECTIONS FOR CONCRETE CLEANING

General cleaning & brightening	1 part DYNAMIC up to 5 parts water
Light grease & oil removal	1 part DYNAMIC up to 2 parts water
Heavy grease & oil removal (grease & oil slicks)	Full strength

(Heavy grease & oil on course surfaces may require more than one cleaning)

1. Apply DYNAMIC by pump sprayer or pressure washer tube.
2. Brush with bristled broom & set for approximately 5 minutes.
(Brushing enhances biodegradation).
3. Rinse area with water.
4. Let surface dry to review results.

FOR INDUSTRIAL USE ONLY

CAUTION: Keep out of the reach of children. If eye contact occurs, rinse eyes with water until irritation stops. If irritation persists, see a physician. If ingestion occurs, drink lots of water and see a physician. Concentrate will cause severe diarrhea.
