

# ELECTRIC CLEAN

## ELECTRIC MOTOR FLUSH & DEGREASING SOLVENT

Environmentally safe orange-oil degreaser that is highly effective at dissolving grease & grime.

A non-emulsifier, ELECTRIC-CLEAN will encapsulate contaminants that can then be blown out of the motor with forced air or slung free with use of another motor.

ELECTRIC-CLEAN is a low VOC emitter, non-flammable, non-corrosive, has a pleasant odor & possesses **DIELECTRIC** properties measured at about 20,000 volts.

### DIRECTIONS

Use full strength when cleaning electric motors. Spray or immerse motor.

### FOR INDUSTRIAL USE ONLY

**Caution:** Keep out of the reach of children. Combustible!!! Please Store in a safe place away from heat and extreme heat and flames. If eye contact occurs, wash with water until irritation stops. If irritation persists, see a physician. Avoid prolong skin contact. Wash from skin with soap and water. Wash contaminated clothing before reuse.
