

MASONRY SCRUB

HEAVY DUTY CONCRETE FLOOR CLEANER

Masonry Scrub is medium foaming, extremely heavy duty penetrating cleaner and degreaser. Rapidly removes the most difficult rubber tire marks, heavy greases and other stubborn soils from concrete and similar hard surfaced floors. The perfect cleaner for concrete, slate, marble, stone, terrazzo, brick, quarry tile, ceramic tile, and similar surfaces. Rapid cleaning with medium foam makes it extremely effective for cleaning with rotary scrubbers and for use in many types of automatic floor machines.

DIRECTIONS

Dilute the concentrate with hot or cold water for use. For machine cleaning, follow the manufacturer's instructions. Use machines equipped with heavy duty brushes for the best cleaning results and rubber tire mark removal.

Following the guide below, adjust the use dilution for easy soil removal.

General cleaning	1 to 3 oz per gallon
Heavy duty floor cleaning /degreasing	1 to 4 oz per gallon
Extra heavy degreasing	8 oz per gallon
Rapid rubber tire mark removal	14 oz per gallon

FOR INDUSTRIAL USE ONLY

CAUTION: Keep out of the reach of children. Concentrate will irritate eyes. If accidental contact occurs wash eyes with water until irritation stops. If irritation persists see a physician. If taken internally it will cause severe diarrhea. Drink lots of water and see a physician. Treat as soap or detergent digestion.
