

MASONRY SCRUB LF

HEAVY DUTY CONCRETE FLOOR CLEANER

A very low foaming, extremely heavy duty penetrating cleaner and degreaser. Rapidly removes the most difficult rubber tire marks, heavy greases and other stubborn soils from concrete, slate, marble, stone, terrazzo, brick, quarry tile, ceramic tile, and similar surfaces. Rapid cleaning and very low foaming makes it extremely effective for use in all types of automatic floor machines and for manual cleaning with rotary scrubbers.

DIRECTIONS:

Dilute the concentrate with hot or cold water for use. For machine cleaning follow the manufactures instructions. Use machines equipped with heavy duty brushes for best cleaning results and rubber tire mark removal.

Following the guide below, adjust the use dilution for easy soil removal.

General cleaning	1 to 3 ounces per gallon
Heavy duty floor cleaning/degreasing	1 to 32 ounces per gallon
Extra heavy degreasing	1 to 16 ounces per gallon
Rapid rubber tire mark removal	1 to 8 ounce per gallon

FOR INDUSTRIAL USE ONLY

CAUTION: Keep out of the reach of children. Concentrate will irritate eyes. If accidental contact occurs wash eyes with water until irritation stops. If irritation persists see a physician. If taken internally it will cause severe diarrhea. Drink lots of water and see a physician. Treat as soap or detergent digestion.
