

SAFE SOLVE 100

SUPERIOR CITRUS DEGREASER

Super-concentrated, SAFE SOLVE 100 contains only safe all natural ingredients. It has the grease dissolving power of petroleum solvent blends without their highly toxic and flammable nature. Completely nontoxic and nonflammable when diluted with water for use. A safe, effective, economical, biodegradable replacement for petroleum solvents.

DIRECTIONS

Dilute with water for use. Apply by pressure washer, coarse spray, manually or other suitable methods. Allow the cleaner to remain on the surface 1 to 5 minutes and then rinse away the soil.

ALL PURPOSE CLEANING AND DEGREASING: Dilute 1/64 to 1/128. Always adjust the concentration to rapidly remove all of the soils present.

Concrete, aircraft, trucks, buses, buildings, tanks, tile floors and walls.....1 / 15 to 1/20

Industrial machinery, garage floors, chassis and exhaust tracks.....1 / 10

Ship / boat bilge, cosmoline, office equipment, and machine shops.....1 / 5

DIP TANK CLEANING: Hard to clean engine and transmission parts, carburetors, brake parts, jet engine burner heads and hydraulic systems, use concentrated or for less severe soiling dilute with up to 4 parts water. For greatest efficiency heat the cleaner to 140°F. Rinse clean

FOAM APPLICATION: Use up to 1 to 10 in commercial foam generator.

SPRAY ON ENGINE DEGREASING: Use concentrated or cut 1 – 1 with water

INGREDIENTS: d Limonene Cas # 5989-27-5, Nonyl phenoxy polyethoxy ethanol Cas # 68412-54-4, Deceth4 phosphate Cas # 52019-36-0.

FOR INDUSTRIAL USE ONLY

CAUTION: Keep out of the reach of children. Do not get cleaner in eyes. If accidental contact occurs wash from eyes with water until irritation stops. If irritation persists see a physician. Wash from skin and clothing with water. If ingested do not induce vomiting, see a physician immediately.
